

ANNUAL REPORT

2014

In 2014, CJM continued its journey to make every effort to make our agency safe. We admitted 158 clients during the year of 2014. Again it was stressed to clients and staffs the importance of maintaining a safe environment by educating clients and providing them with multiple avenues to report any such incidents of sexual abuse or sexual harassment. In the year 2014 CJM received zero allegations of sexual abuse or sexual harassment.

CJM has also moved forward by retaining an auditor. Melinda Allen and Associates will be conducting a two day on June 16th and 17th of 2015 to assure that we are in complete compliance with the PREA standards and guidelines. Those results will be posted to our website upon completion of the audit.

CJM will continue to strive to provide a safe and secure environment for all residents. CJM will continue to ensure proper training, education; detection and prevention are made available to both our staff and clients.

Anyone can report a case of sexual abuse or sexual harassment, including a staff person, a resident, or a member of a resident's family. Anyone interested in reporting an incident can do so without fear of retaliation by contacting the PREA Coordinator (203) 610-8099 or kharris@partnersforcommunity.org. You can also contact our Human Resource Department (413) 272-2219 or lcostello@partnersforcommunity.org.

**** All reports will be investigated and remain confidential****
